Case Referred to: Honorable Magistrate Judge Gabriel W. Gorenstein

Re: Ahmad v. Day, et al. (1:20-CV- 004507 - AT-GWG)

Dear Honorable Judge Analisa Torres and Honorable Magistrate Judge Gabriel W. Gorenstein,

I Mahfooz Ahmad would like to point out correction of a typo (written error), in the original filled complaint. It is a typing error. The date of start of my employment with iCIMS Inc is February, 2016 and not February, **2014**. The typing of 2014 instead of 2016 is a written error, the defense counsel did mention the correct date of **February, 2016** in there filing of ‘Motion for Arbitration’. I request Honorable Magistrate Judge Gabriel W. Gorenstein to order correction/ acceptance of this clerical typing error (Nunc Pro Tunc).

I would like to humbly inform the court that I have been able to pay the PACER account Balance and currently I am able to access PACER account services and updates like normal.

Thank you for Your Honor’s time and consideration is greatly appreciated in this matter.

21st May, 2021.

/s/ Mahfooz Ahmad
